

MCOSA
MACOMB COUNTY OFFICE OF SUBSTANCE ABUSE

Narcan Training

Voluntary Opportunity for CMH Staff

We are pleased to announce that MCOSA will be offering free optional Naloxone (Narcan) training via Zoom. The trainers will be from Clinton Counseling Center Jail Program.

Why take this course? Addiction and overdose are happening more often than we would like. We should all be prepared. Overdose is a medical emergency, therefore if you are on the Emergency Preparedness Team (floor captain, assembly leader, etc.) you are encouraged to attend, but not required.

What is Naloxone (Narcan)? This is used in opioid overdoses to counteract life-threatening depression of the central nervous system and respiratory system, allowing an overdose victim to breathe normally. Naloxone is a nonscheduled (i.e., non-addictive), prescription medication.

What will we learn? 1. How to recognize an overdose. 2. What to do if an overdose happens.

Will you receive free Narcan? YES, free Narcan kits will be mailed to each CMH location with registered participants.

Credit hours? MCBAP 1 contact hour (Must be present for the entire presentation to receive a certificate of attendance – cannot arrive more than 5 minutes after the start or 5 minutes before the end.)

All participants must complete a pre and post survey (emailed with the Zoom link.)

February 26, 2021	9:00AM or 1:00PM
March 5, 2021	9:00AM or 1:00PM
March 19, 2021	9:00AM or 1:00PM
March 26, 2021	9:00AM or 1:00PM
April 16, 2021	9:00AM or 1:00PM
April 23, 2021	9:00AM or 1:00PM

To Register, please contact the Training Office at TrainingOffice@mccmh.net or call (586) 465-8326.

Spaces are limited per session. Additional training sessions will be made available based on demand.
