**About Presenter Laura Hitzelburger, LMSW, CAADC:** Laura has worked with severely mentally ill children, adolescents and adults and the substance use population for over a decade in an outpatient setting and correctional medical environment. During her Bachelor's and Master's degree studies at Wayne State University, Laura worked as a DCW for DD children and adolescents, and Alzheimer's geriatric clients. Her Master's level roles have included Case Manager, Therapist and Crisis Interventionist, where she actively provided treatment and coordinated care with interdisciplinary teams. As the Training Coordinator for MCCMH, Laura's focus is developing and coordinating trainings that are directed at meeting current system needs, while exploring ways to enhance future initiatives.
