About one in six children in the U.S. have one or more developmental disabilities or other developmental delays.

MCCMH salutes the indomitable will of these young people, as they successfully navigate their path to adulthood.

**MARCH IS NATIONAL DEVELOPMENTAL DISABILITIES AWARENESS MONTH**

*MCCMH has programs that support these individuals and their families. Call, or visit our website to learn more.*

MCCMH centers are barrier free, offer TTY access, American Sign Language communication, and other language translations. MCCMH is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF), and operates under the direction of the Macomb County Board of Commissioners and the Macomb County Community Mental Health Board.
