OBJECTIVES:

- Review the current Medications in the Anti-Psychotic Drug Class.
- Review the Approved Anti-Psychotics for Children.
- Identify Side Effects of the Medications that Individuals may experience.

Trainer Biography: Jeffrey Clark RN, is the Nursing Administrator of Macomb County's PIHP. He has experience as a Training Assistant in the Macomb County Community Mental Health's Training Department. His current role is to help staff meet state and federal guidelines, update agency policy and encourage positive outcomes using evidence-based practices and integrated care approaches. He has 17 years of experience as a registered nurse in the state of Michigan. Jeff has worked in both inpatient and outpatient mental health care, with previous experience in emergency and cardiac care hospital settings. He has developed numerous trainings for integrating health in the Community setting.
