RE: Guidelines for RN Coordination of Care and Specialized Nursing Assessments
DATE: July 07, 2022

The attached guidelines are intended to assist Macomb County Community Mental Health (MCCMH) contract providers, who have registered nurses at their agency, in:

1. Selecting appropriate individuals to complete specialized nursing assessments; and
2. Encouraging nursing staff to be actively involved in coordination of care efforts.

Proper medication reconciliation is vital for the health and wellbeing of persons served and the overall coordination of care process. Your review and adherence to these guidelines are greatly appreciated.

If you have questions, please email MCCMH Nursing Administrator Jeffrey Clark at Jeffrey.Clark@mccmh.net.
