[Implicit Bias Training
2024](#)

The goal of this training is to introduce implicit & unconscious bias to healthcare practitioners, providers, & leaders in an interactive, yet safe space.

As trainers, we understand our instruction may come with our own biases & ask for your openness as we challenge our ideals towards growth & learning. We look forward to the honesty of this session & accept any & all discussion.

When:

**Thursday
9/5/24
9:00am-
12:30pm**

**Thursday
12/5/24
9:00am-
1:00pm**
