

Adverse Benefit Determination Informational Sessions

With MCCMH Due Process Coordinator: Anwar Gulati

The Adverse Benefit Determination (ABD) training is designed to provide an overview of the updated policies regarding due process letters, as well as recent changes to the FOCUS system related to these letters.

While attendance is not mandatory, this 60 minute session serves as an informative opportunity. Supervisors and staff involved in ABDs and due process procedures are strongly encouraged to attend.

Virtual dates available:

June 2nd 9am

June 2nd 1pm

June 5th 10am

June 5th 2pm
