

LOCUS Initial

Level Of Care Utilization System

Approved for
3.0 SW CE hrs

approved provider #
MICEC-0038

1) Initial Training Online- detailed instructions attached

Go to [American Association for Community Psychiatry](https://www.aacap.org/) to register and complete this training.

Under the heading “**Our Work**” click on **Education and Training**.

You’ll need to Log In to the learning management system.

Create new account using your work email and **C00060drfcalcs** in the company field ID

Once you’ve entered all registration information, an automatic email from ‘AAPC’ will be sent to the email address you entered. NOTE: If you do not see this automatic email in your inbox, please check your SPAM folder.

Please confirm your email account by selecting the link included in the email.

Select ‘continue’ on the webpage stating that your account registration has been confirmed.

You will be taken to the LOCUS training certification dashboard. Select Go to Course to enter LOCUS training for the first time. (Note: after you’ve initiated this course, the LOCUS Certification Training will show as an ‘in progress’ course on this dashboard, and you can resume course content by selecting the link under ‘in progress’ courses).

You may be enrolled and provided the LOCUS and CALOCUS trainings. If completing this training to enroll in the LOCUS training, you do not need to complete the CALOCUS webinar.

2) MCCMH LOCUS Session:

You **MUST** register for the MCCMH training through the Training Department within **60 days** of the online training completion. Registration Prerequisite: You must present your certificate of completion from the Deerfield Solutions online training if you are taking the LOCUS for the first time.
