

Home and Community Based Training for Case Managers and Support Coordinators

Presented by: Jelena Bogojevic, BA/BS

This training will review the Home and Community Based Services (HCBS) Final Rule. The training will go into detail regarding the Final Rule and Case Manager involvement. This training is a new requirement directed from the Department of Michigan Health and Human Services. This training is **required** for all Case Managers, Support Coordinators and Clinical Supervisors.

The training will review the following topics:

1. HCBS Regulations, Requirements and the role of the Case Managers/Support Coordinators
2. HCBS Compliance Monitoring
