Board Certification Verification Instructions

Physician Verification

Updated: November 2025

American Board of Medical Specialties (ABMS)

1. Visit the ABMS Website, by clicking here: [ABMS | American Board of Medical Specialties](https://www.abms.org)
2. Upon entering the site, select “For Patients” in the top menu bar. It is the first tab listed.

3. Their site will redirect you to Certification Matters, select the orange “Is My Doctor Board Certified?” icon in the upper-right hand corner.

4. Enter the board-certified physicians’ information into the search engine fields. The last name is the only field required by Certification Matters to run verification of certification; however, providing additional details will narrow the search results.

When you choose a board certified doctor, you can count on quality care for yourself and those you love.
