

Addiction and the Brain

*Are you ready for some ah-ha moments?
Ever wonder why someone keeps using, despite all of the consequences?*

*Join us for our 2-hour training via Zoom,
and you might just say “Oh, now that makes sense!”*

*Our goal is to give you the tools you need to understand the
impact of brain chemistry on addiction so you can help
your clients and their loved ones have “ah-ha” moments of their own!*

Opioid overdose recognition and response information is included.

**This free training is for MCCMH/MCOSA funded agencies and includes:
Free Narcan 2 NASW CE's 1.5 CDTs Hour 2 MCBAP Specific Hours**

**This training is offered on Tuesdays or Wednesdays, 9-11am and Fridays, 1-3pm.
