

KEEPING KIDS SAFE:

GROOMING EDUCATION AND PREVENTION

April 29th & September 1st
9am-12p

PRESENTED BY: LESLIE STYER, MA, LLP, CAADC

This presentation will focus on defining grooming and other types of predatory behaviors. The stages of grooming and warning signs will also be discussed. In addition, preventative measures such as education for parents and caregivers as well as real work application will be explored.

Participants will be able to:

- Define grooming and types of predatory behaviors
- Identify the stages of grooming
- Understand warning signs relating to grooming
- Educate parents and caregivers on how to help keep kids safe
