KIDS AND TECHNOLOGY

Presented by Danyelle Dobbins LPC

In-Person Offering

MCCMH West
6555 15 Mile Rd.
Sterling Hgts, MI
48312

LEARNING OBJECTIVES:

- The evolution of toys, media, and technology and their influence on child development.
- Advantages and disadvantages of technology and media use among children and adolescents.
- Current research findings and statistics related to technology use and its impact on behavioral health.
- Clinical interventions to address unhealthy technology use and promote healthy digital habits.
- Resources that support individuals and families in maintaining safe and balanced technology use.
- Person-centered goals and interventions related to technology to include within service plans.

Approved for 2 SW CE's & 2 CDTS hours

Macomb County Community Mental Health programs and services are supported and funded, in part, by the Michigan Department of Health and Human Services (MDHHS). MCCMH is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and operates under the direction of the Macomb County Board of Commissioners and the Macomb County Community Mental Health Board. MCCMH centers are barrier-free, and offer TTY access, American Sign Language communication, and other language translations.
