This training provides guidance for case managers and therapists in navigating the PCP process. It brings insight to recognizing when our elders need specialized care and how to properly refer and link to programs and specialists that can provide the needed services. This training includes ways for children and adolescents to interact and share knowledge and companionship that can be worked into their PCPs

This training has been approved for 3 social work credits & 2 Children's hours

MACOMB COUNTY
COMMUNITY MENTAL HEALTH

Macomb County Community Mental Health programs and services are supported and funded, in part, by the Michigan Department of Health and Human Services (MDHHS). MCCMH is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and operates under the direction of the Macomb County Board of Commissioners and the Macomb County Community Mental Health Board. MCCMH centers are barrier-free, and offer TTY access, American Sign Language communication, and other language translations.
