MACOMB COUNTY
COMMUNITY MENTAL HEALTH

DIABETES: RECOGNITION, RESPONSE, AND SUPPORT

For Children and Adults

Presented by: Mattie Theison, RN

TRAINING OBJECTIVES:

- Increase awareness for MCCMH staff and Providers on current treatment trends for individuals diagnosed with diabetes.
- Learn to identify the different types of diabetes and understand how that may change an individual's IPOS.
- Learn to identify behavioral impact on the consumers who experience diabetes and increase the ability to provide the support needed to those individuals
- Increase staff's ability to create SMART objectives and specific interventions within the Individualized Plan of Service focused on Integrated Care for Individuals with a diabetes diagnosis.

Macomb County Community Mental Health programs and services are supported and funded, in part, by the Michigan Department of Health and Human Services (MDHHS). MCCMH is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and operates under the direction of the Macomb County Board of Commissioners and the Macomb County Community Mental Health Board. MCCMH centers are barrier-free, and offer TTY access, American Sign Language communication, and other language translations.
