November 15th
December 13th

This virtual training is designed for therapists and case managers to explore the following points:

- Define geriatric trauma and identify underlying causes.
- Discuss the necessity of nutrition during aging.
- Explore physical activity and it's benefits for the aging body.
- Discuss effective approaches to stay socially connected.
- Recognize signs of elder abuse.
- Integrate concepts into the PCP.

This training has been approved for 3 social work credits & 2 Children's hours

MACOMB COUNTY
COMMUNITY MENTAL HEALTH

Macomb County Community Mental Health programs and services are supported and funded, in part, by the Michigan Department of Health and Human Services (MDHHS). MCCMH is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and operates under the direction of the Macomb County Board of Commissioners and the Macomb County Community Mental Health Board. MCCMH centers are barrier-free, and offer TTY access, American Sign Language communication, and other language translations.
