HOME AND COMMUNITY BASE SERVICES
FINAL RULE

FOR CASE MANAGERS & SUPPORTS COORDINATORS

TRAINING OBJECTIVES

1. **Describe the history, intent, and implementation of Home and Community-Based Services (HCBS) in Michigan**
   including the evolution from institutional care to community-based services and the role of Medicaid-funded HCBS programs.

2. **Identify and explain the key components and requirements of the HCBS Final Rule Set**
   including the expectations for HCBS settings, individual rights and protections, community integration, autonomy, privacy, dignity, and person-centered service delivery.

3. **Apply Person-Centered Planning (PCP) principles, instructions, and guidelines within the Case Manager/Supports Coordinator role**
   including understanding how the PCP process supports individual choice, preferences, goals, needs, and access to medically necessary services

4. **Understand HCBS compliance monitoring and reporting expectations**
   including the role of the Case Manager/Supports Coordinator in identifying, documenting, addressing, and reporting potential compliance concerns and ensuring that services and supports remain consistent with HCBS requirements

Macomb County Community Mental Health programs and services are supported and funded, in part, by the Michigan Department of Health and Human Services (MDHHS). MCCMH is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and operates under the direction of the Macomb County Board of Commissioners and the Macomb County Community Mental Health Board. MCCMH centers are barrier-free, and offer TTY access, American Sign Language communication, and other language translations.
