RE: **EXECUTIVE DIRECTIVE 1 / 2005**  
**HAB Waiver Services**

It is mandatory that HAB waiver consumers receive HAB waiver services at least once each month (see attached list of HAB waiver covered services).

The minimum of one HAB waiver service per month is required by federal Medicaid regulations, the Michigan Department of Community Health, and by MCCMH. Consumers enrolled in HAB waiver have been determined to need at least this minimum level of service. Please ensure compliance to this requirement for all HAB consumers served by MCCMH.

Please retain Executive Directive 1 / 2005 in your Administrative Manual following Divider "A".
