MCCMH is the recipient of an award under the CCBHC Expansion Grant to provide services for those with serious mental illness or serious emotional disturbances that may include co-occurring substance use disorders. These services will be provided to those who are uninsured or are under insured, regardless of residency. Pursuant to the requirements of the CCBHC Expansion Grant, Integrated Health Macomb (IHM) was established to provide said services.

Due to new requirements, Policy specific to Integrated Health Macomb has been developed for the above.
